

Cayman Islands

Three Islands. One Idyllic Destination.

Welcome to the Cayman Islands: *the Ultimate Getaway*

Three tranquil gems, nestled in the calm turquoise waters of the Western Caribbean, our islands offer endless possibilities.

Blessed with sun-kissed beaches and some of the best diving and snorkelling in the world, The Cayman Islands are three distinct islands in one idyllic destination. From sophisticated Grand Cayman to adventurous Cayman Brac and tranquil Little Cayman, our trio of islands are one of the world's premier places to indulge in romance, recreation and relaxation.

Whet your appetite

With over 150 restaurants to choose from, Grand Cayman has earned a well-deserved reputation as one of the Caribbean's premiere destinations for

dining. Here, unwinding with a good meal can range from elegant five-star cuisine enjoyed in a private dining cabana, to casual seaside venues and contemporary open-air lounges for enjoying pre and or post-dinner cocktails.

Sample fresh, stylish cuisine at some of Grand Cayman's hippest restaurants - Osetra Bay, Abacus, Luca or Michael's Genuine are but a few of note.

With exceptional culinary variety and unsurpassed ambiance, Grand Cayman will inspire even the most discriminating gourmands.

TASTY TIP!

Visit in January when the world's greatest chefs like Eric Ripert, Anthony Bourdain, Susur Lee and more, converge in Grand Cayman for Cayman Cookout - four delicious days of tastings, beachside demonstrations and unique chef-led excursions.

January 13-16, 2011.
